WATER QUALITY ADVISORY LIFTED — ENTIRE SERVICE AREA

Please be advised that the Water Quality Advisory for the entire BMID service area is no longer in effect. .

Water quality is continuously monitored and water quality results are published weekly on our website www.bmid.ca.

BMID apologizes for any inconvenience this advisory may have caused, and appreciates your cooperation and patience during this time. If you have any questions, contact Black Mountain Irrigation District at **(250) 765-5169**.

Black Mountain Irrigation District

A handwritten signature in black ink, appearing to read "Robert Hrasko".

Robert Hrasko, P.Eng.
Administrator
